The police were not present.

The P&CC had requested parish councils to consider the issues they believed were the priority for the future. Members considered that issues of drug dealing and county lines activity should be prioritised, together with better liaison between local policing, the parish councils and the community and more evidence of police presence and activity.

Members also considered an invitation to a Town and Parish Councils Evening at the police headquarters on 16th March and Councillors L and D Adsetts-Moseley agreed to attend on behalf of the Parish Council

The Manager submitted a report which was distributed to all Members and is appended to the minutes. The Manager pointed out that some occasions had arisen when it was difficult to cover cleaning duties due to staff sickness and holidays. It was therefore agreed that a relief cleaner be appointed on an annualised contract of between 30 to 60 hours per annum.

158/19 Parish Projects

Colliery Memorial

It was reported that Dennis Skinner was still unwell and it was agreed to continue to hold over the launch of the memorial stone until he was well enough to attend the ceremony.

Ramped Access

The Clerk was awaiting a report from BDC regarding the progress of this project

Changing Room Refurbishment

The Clerk had spoken with Brian concerning the possibilities for improvement to the changing room facilities. The main issue was the size of the home and away team changing rooms which were not large enough to accommodate the number of players. As it was not possible to extend the current facilities because of the structure of the building, a possible suggestion was to offer the existing changing rooms for sale and to research the cost of providing a replacement facility which meets the current needs. The Clerk was asked to research whether there was any funding available which could be accessed to support the project.

Stainsby School

The Clerk provided members with a draft copy of a letter to the National Trust. It was agreed that the letter covered the issues raised by the Parish Council and that it be sent to the Director General and the Chair of the National Trust.
